

CoachCrafters, Inc. is offering several options to choose from for the procurement of refurbished low-floor buses. A detailed description of the buses and CoachCrafters, Inc's refurbishing process is attached.

Opportunity One:

Choose from our current inventory of two 40' 1999/2000 Gillig low-floor buses

\$35,000.00 per bus refurbished per the CoachCrafters 120 point inspection and painted Fleet White

\$25,000.00 per bus sold "AS IS"

Opportunity Two:

Coming in May

Ten (10) refurbished pre-owned 30' and 35' Thomas SLF Low Floor transit buses

Check back or call for pricing and further details.

All refurbished buses:

- Have a top speed of 70 mph, although they are more comfortably driven at 65 mph.
- Have fully functioning air conditioning systems
- Have adequate tread on tires
- Do not have fare collection equipment
- Do not have a hub meter installed
- Have schematics and service manuals available
- Are equipped with the original powertrain unless specifically noted otherwise

Additional Options:

Delivery
Decal Package and/or custom paint

Quoted on request
